My Dr Sanforde,

You are my only hope.  
No other member with men answer a  
letter much less, do any thing for me.

I have written the Argus for  
my wife but can't find it, in  
any shape. Is it read & paid,  
or dashed? This is important,  
Can you get it thro' tomorrow  
& let it go to the Senate? I  
then ring chm plow, put lay  
aside from official dignity for  
a moment & follow the bantling  
into the Senate & get it safe into  
Nurse Vanau's arms. If I can  
get it signed by the 30<sup>th</sup>. it will  
be a matter of considerable  
importance to Garrison & myself.  
This is entire now. In haste  
F. Wm. D. M.
